PROFESSIONAL EXPERIENCE

Programme Communications Coordinator Jan – Feb 2026

Goethe-Institut Nigeria | PAID – Roots and Roofs | EUNIC Spaces of Culture | Remote

- Coordinated a Pan-African indigenous skills preservation programme across 7 international partner organisations including Goethe-Institut, British Council, Spanish Embassy, and CBAAC, managing communications across a 5-member jury, 15+ specialist facilitators, and 24 participants spanning Nigeria's six geopolitical zones.
- Managed full facilitator journey post-acceptance: onboarding, session scheduling, contract and invoice processing per Goethe-Institut requirements, travel logistics, and document compliance tracking.
- Built programme coordination infrastructure independently: facilitator tracking system, participant contact database organised by geopolitical zone, and a full email template library for recurring stakeholder communications.
- Produced status reports for programme leadership and maintained stakeholder-specific communications across facilitators, participants, jury members, and partner organisations simultaneously.
- Created comprehensive handover documentation upon contract conclusion, ensuring full programme continuity with zero information loss.

Content Manager Jan – Feb 2026

Tetso Commerce (LOAF Global Co) | Ghana | Remote

- Developed full brand positioning strategy for a diaspora-facing African e-commerce platform, defining the brand as an affordable, culturally resonant marketplace targeting Africans in diaspora through a 'feels like home' identity and African Americans through heritage and roots messaging.
- Produced complete brand launch package including content strategy, campaign frameworks, content calendar, copy, design mockups, and growth ideas timed around Black History Month for maximum market entry visibility.
- Conducted competitive and audience analysis to identify positioning whitespace, establishing Tetso as an accessible alternative in the African diaspora e-commerce space.

Digital Content Manager Sep – Dec 2025

LOAF Global Co | Ghana | Remote

- Managed full project lifecycle for website redesign and SEO optimisation, coordinating 5+ contributors across content, design, and development. Delivered on schedule, achieving 35% improvement in organic search visibility and 20% increase in website traffic.

- Aligned content delivery against platform launch milestones, maintaining cross-functional coordination across contributors in multiple time zones.

Operations & Launch Consultant Jan 2025 – Present

FitFlex Gym | Nigeria

- Designed and delivered a comprehensive gym launch strategy covering a N1.17M operating budget with break-even projections, 3 membership tiers, staffing plan for 6 staff across 2 shifts, and a 6-touchpoint member journey framework targeting 90% satisfaction.
- Established operational SOPs, launch marketing strategy, and digital presence including Google My Business setup, supporting a launch that grew to 200+ active members within its first year.

Social Media & Paid Advertising Manager Jul 2024 – Present

Harvesters International Christian Centre | Kent, UK | Remote

- Planned and managed multi-platform digital campaigns across Meta, TikTok, and Eventbrite, coordinating content, advertising, and community growth workstreams against church launch milestones.
- Delivered campaigns on a £600+ budget that peaked at 200,000+ reach, generated 300+ leads, and contributed to 600+ attendees at the physical church launch.
- Grew online community from 300 to 3,000+ members across digital platforms, supporting establishment of a physical congregation of 600+.

Brand Strategist Sep – Dec 2024

Reers Technology | UK | Remote

- Delivered brand strategy consultation for a UK-based tech founder, developing a comprehensive personal and company brand framework covering brand voice, content style, storytelling angles, audience targeting, and personality-driven content direction.
- Produced actionable content guidelines enabling the client to independently execute a consistent, relatable brand presence across platforms.

Project Manager & Operations Coordinator Jul 2023 – Jun 2024

Bridgestone Healthcare System | Maryland, USA | Remote

- Coordinated day-to-day operations for a US-based residential care facility, ensuring caregiving staff maintained compliance with care standards, operational procedures, and service delivery requirements.
- Monitored operational health, identified gaps in processes or standards, and coordinated corrective actions to keep the facility aligned with regulatory and quality benchmarks.
- Produced project documentation including status reports and operational records, and led regular team check-ins to track progress and resolve blockers.

EARLIER EXPERIENCE

Business Development Manager Oct 2017 – Feb 2022

Typical Fitness | Nigeria

- Oversaw delivery of company website, monitoring design, copy, and development progress end-to-end from brief to launch.
- Co-planned and executed annual large-scale fitness events alongside the CEO, contributing to N11M+ in combined ticket sales and sponsorship revenue.
- Built and managed lead generation system producing 100+ weekly leads at 20-30% monthly conversion rate.
- Prepared monthly sales reports and forecasts to support business planning.
